

Rain Stops Bicycle Races After Clarke Has Beaten Lawson in One Heat

RAIN SPOILS RACE MEETING

Downpour Interrupts Excellent Programme at the Salt Palace Bicycle Track.

CLARKE DEFEATS LAWSON IN FIRST HEAT OF MATCH

Colvin Overhauls Mair in Exciting Amateur Unlimited Pursuit Contest.

Rain Friday night interrupted one of the best programmes of the season at the Salt Palace bicycle track. After six events had been run off the rain started to pour and the spectators took a hasty retreat.

Only one heat of the headliner, the match race between Lawson and Clarke, was run off, Clarke winning by a narrow margin. Clarke took the lead at the start of the mile heat and held it all of the way. For nearly six laps the riders jockeyed up and down the bank. At the head of the stretch a trifle more than two laps to go, Clarke shot down the bank and opened up his sprint, keeping it up all of the way. Lawson was right at the Australian's wheel and a quarter of a lap from home started around him. At the tape Lawson was only a foot behind Clarke.

Colvin Wins.

In the unlimited match pursuit Mair and Colvin, the two speedy amateurs, were evenly matched and put up a great race. Colvin won the race but Mair put up a game fight. In the first mile Mair gained thirty yards, but after Colvin got down to a steady grind and began to overhaul his opponent, passing him in three miles and six laps. Toward the finish of this race the rain began to pour but both boys kept gamely at the grind.

Major Taylor entered in the professional races and was given a hand when he won the qualifying heat of the half mile open. In the final of this race MacFarland punctured, and in swinging out of the race shut out Taylor, who stopped. Downing went to the front at the start in this race and pulled Walker to victory.

Huey won the two-mile lap handicap for the amateurs by himself. Meredith showed a flash of speed by taking six laps in this race.

The Salt Palace management issued rain checks and announced that the programme would be completed Monday night, and those holding rain checks will be admitted to the Labor day meet and no extra admission will be charged. The Lawson-Clarke match will be completed and the other events scheduled will be pulled off at that time. New features will be added to the programme.

FOOTBALL SEASON AT HIGH SCHOOL OPENS

Suits Are Given to Twenty-Five Members of Last Year's Squad.

The football season opened Friday afternoon at the high school, when twenty-five boys were in suits. The candidates met at noon and numbered close to fifty, but as the suit supply ran out after the members of last year's squad had been fitted, the remaining boys looked on. Captain Bill Yates and Manager Sherman clearly explained the requirements, both from athletic and scholastic standpoints.

The squad in a week's time will be the largest in the history of the school. There are still some of the most promising players, some of whom were regulars last year, on the eligibility list, and will be unable to play unless all back work is made up within one month. Principal Eaton has always been a firm believer in a strict eligibility rule, and several years the team has suffered. The complete list of back candidates will be made out the first of the week, and the boys who are anxious to play will be given every opportunity to make good.

The work Friday afternoon was fitting on the boys and running around the campus. This will constitute the majority of the work for the coming week. The preliminary work requires little attention from a coach, so the boys will get along until the coach arrives, but it is hoped that the man will be selected next week. Coach Bennett of the university said that if there would be any trouble in the selection of a man that he would gladly assist in getting the boys in shape.

EVANS WINS AMATEUR GOLF CHAMPIONSHIP

Defeats Simpson After Close and Exciting Game at Edge-water Links.

CHICAGO, Sept. 2.—Charles Evans, Jr., of the Edgewater Golf club of Chicago today achieved the honor of being the first amateur to win an open tournament in this country.

In the 36-hole final for the western open championship at the Beverly Country club he defeated George Simpson, the professional, of the La Grange Country club of Chicago, 6 up and 5 to play. Three years ago Simpson won the amateur championship of Scotland, and the match today was a triumph of the young American golfer, who is conceded to have a fine chance of winning the national amateur event at Boston.

The victory netted him the championship gold medal and \$200, which he will have to receive in plate. He also won \$25 in plate for low score in the qualifying round, which he received \$100, and the semi-finalist, Andrew Christie of Rochester, N. Y., and D. E. Sawyer, the Wheaton amateur, each got \$50.

Evans and Simpson played mediocre golf in the morning, the amateur taking 100 and the professional 92, the former having a lead of 18 at the noon recess.

Followed by the biggest gallery that ever witnessed a western open final, the main playing field at the edge-water links was packed to the rafters in the afternoon. Evans missed a putt on the first green, and that was the only hole Simpson was able to win in the first nine.

On six successive greens the professional took only one putt, but so fine was Evans's short game that these putts only netted the La Grange player halves. Evans took the seventh hole, 45 yards, in 2-4, making two perfect shots and an eight-foot putt. A ten-foot putt on the ninth green gave Evans that hole, 3-4, and he was 4 up taken the twenty-second hole. A 2 at the twelfth and a 3 at the thirteenth gave Evans the match, 6 and 3.

OCCIDENTALS WILL MEET OGDEN TODAY

Battle for Second Place in Utah State League to Be Fought at Walker's Field.

In a contest that may decide the second place in the Utah State league, the Occidentals and Ogden will meet at Walker's field at 3:30 o'clock this afternoon. Though the negroes have an apparent clutch on second place in the State league, Ogden by winning its remaining three games can tie the Occidentals for second place.

In today's game Money will pitch for the Occidentals and Langley will catch. Either Murphy or Toner will pitch for Ogden. The Occidentals are suffering from the loss of Langford, who will be out of the game for the rest of the year. Langford is a good pitcher, a sure holder, a hard hitter and a superb base runner. He was one of the strongest men on the Occidental team.

Salt Lake will play at Murray this afternoon. Tennant will be in the box for the locals and "Red" Settle behind the bat. Price will probably pitch for the champions.

On Sunday Salt Lake will play the Occidentals at Walker's field. Mike Donovan will make a desperate effort to annex this game for his team in order to wind up the season with a victory. For this game Indian Luther Smith will pitch and Settle will catch for Salt Lake. Oswell, the loss of Langford, the negro first baseman, will probably pitch for the Occidentals. Murray will play at Ogden on Sunday.

The State league season will close on Labor day with games at Ogden between Salt Lake and Ogden and at Salt Lake between the Occidentals and Murray.
